LEADERS LEAGUE

With over 30 years of experience, Leaders League is a reference in organizing high-level events. Our events are designed as platforms for inspiration and encounters, to develop business relationships, highlight best practices and reward excellence.

We organize events around the globe in business capitals such as Paris, Madrid, New York, São Paulo, Milan, Lima and Miami, gathering key business leaders for meaningful discussions and networking.

Since 2022, Leaders League is part of Groupe Ficade, a leader in B2B events, organizing over 80 events per year and developing every format to meet the needs of business leaders.

A unique know-how

Designed by our specialized editorial teams, our events are distinguished by the quality of their programs and the speakers involved.

Aiming on promoting knowledge and networking through strategic and innovative discussions, our events connect the whole business ecosystem, offering high-level debates as well as unique networking opportunities.

Our difference: our events bring together different professions allowing their members to connect and make business.

› International Summits

With its international presence and multi-cultural team, we organize large-scale events in business capitals of the world such as Paris, Miami, São Paulo, Milan, Madrid and Lima

› Expert Conferences

Combining editorial and organizational expertise, we organize key events for each business community that provide a platform to promote meaningful exchanges and discussions

› Business Breakfasts and Roundtables

Throughout the year, our editorial teams organize small, convivial events to encourage discussion. An opportunity to forge privileged relationships.

› Awards Ceremonies

Our events recognize the best performances in each business ecosystem, highlighting exemplary achievements and initiatives, and promoting excellence.
